श्री प्यारे लाल खंडेलवाल: माननीय सभापति जी, यह बात सही है कि नवोदय विद्यालय जब शुरू हुए थे तो बहुत अच्छा काम कर रहे थे और उनकी प्रतिष्ठा भी थी, लेकिन इन दिनों देखने में आ रहा है कि बहुत जगह से शिकायतें भी आ रही हैं कि प्रदेशों के कई जिलों में नवोदय विद्यालयों में शिक्षकों की कमी है। मैं माननीय मंत्री जी से जानना चाहूंगा कि शिक्षकों की कमी की पूर्ति के लिए सरकार ने क्या उपाय किए हैं?

श्री मोहम्मद अली अशरफ फातमी: सर, जब भी कहीं कमी होती है, हम उस की पूर्ति करते हैं। अगर किसी जिले के बारे में, किसी नवोदय विद्यालय के बारे में आप को ऐसी स्पैसिफिक जानकारी हो तो हमें बताएं, जहां भी टीचर्स की कमी होगी, उस की पूर्ति की जाएगी।

श्री दारा सिंह चौहान: सभापति महोदय, माननीया सदस्या ने अपने सवाल में एससी/एसटी और ओबीसी के बारे में पूछा है और माननीय मंत्री जी ने अपने उत्तर में एससी/एसटी के बारे में जवाब दिया है, लेकिन ओबीसी, जो हिंदुस्तान की आबादी का आधे से ज्यादा हिस्सा है, कहीं जिक्र नहीं है। इसका मतलब है कि मंत्री जी या उन की सरकार पिछड़े बच्चों के उत्थान के बारे में गंभीर नहीं है। मैं अपने पूरक प्रश्न के जरिए पूछना चाहता हूं कि जिस तरह से अनुसूचित जाति, जनजाति के बच्चों के लिए केन्द्रीय विद्यालयों और केन्द्रीय स्तर पर जो वित्त पोषित संस्थाएं आईआईटी, आईआईएम, एनआईटी हैं, उन में जिस तरह से शेडयूल्ड कास्ट/शेडयूल्ड ट्राइब्स के बच्चों को सुविधाएं दी जा रही हैं, क्या वे पिछड़ी जाति के बच्चों को देने की आप की योजना है? अगर नहीं, तो उस के क्या कारण हैं?

श्री मोहम्मद अली अशरफ फातमी: सर, हम ने अपने जवाब में कहा है कि शेडयूल्ड कास्ट/शेडयूल्ड ट्राइब्स के लिए रिजर्वेशन अवेलेबल है और वह सारी स्कीम के तहत है। यह जानकारी मैंने आप को दे दी, लेकिन जहां तक ओबीसी का सवाल है, ओबीसी का रिजर्वेशन न तो नवोदय विद्यालय और न केन्द्रीय विद्यालय में है और मैंने यहां जो आईआईटी, आईआईएम या एनआईटी का जिक्र किया, वहां भी ओबीसी का रिजर्वेशन अभी तक नहीं है। अब आप विचार करने के लिए कह रहे हैं, तो सरकार उस को देखेगी।

श्री सभापति: ठीक है। प्रश्न संख्या 307.

Implementation of Tribal Development project

*307. DR. GYAN PRAKASH PILANIA: Will the Minister of TRIBAL AFFAIRS be pleased to state:

(a) the number of Integrated Tribal Development Project being implemented in Rajasthan, along with the details thereof;

(b) the amount provided by Government to each of these projects during the last three years and the among actually spent thereon;

(c) the projects out of the above which have been completed;

(d) if so, the achievements thereof;

(e) whether any proposal under ITDP from the State Government are still pending for consideration with the Centre; and

(f) if so, the details and status thereof?

THE MINISTER OF TRIBAL AFFAIRS (SHRI P.R. KYNDIAH): (a) to (f) A statement is laid on the Table of the House.

(a) to (d) There are five Integrated Tribal Development Projects (ITDPs) in Rajasthan. The Ministry does not provide funds directly to the ITDPs. The Ministry of Tribal Affairs provides funds to the State Governments as per their entitlements under respective schemes/programmes.

However, under Special Central Assistance to Tribal Sub Plan (SCA to TSP), since 2003-04 funds are separately earmarked for each of the ITDPs. The details of these ITDPs and funds earmarked for each of them under SCA to TSP starting from the year 2003-04, are as under:

Name of the ITDP	Funds earmarked for these ITDPs under SCA to TSP		
	2003-04	2004-05	2005-06
Banswara	505.14	505.14	505.14
Bungarpur	340.76	340.76	340.76
Udaipur	465.54	465.54	465.54
Chittorgarh	86.39	86.39	86.39
Sirohi	33.00	33.00	33.00

The Government of Rajasthan have reported utilization of funds under SCA to TSP including the earmarked funds to ITDPs, during the last three years as per following details:

(Rs. in lakh)

Year	Amount released	Expenditure reported
2002-03	3649.56	2631.69
2003-04	3284.60	4231.36
2004-05	3284.60	3258.59

(e) to (f) There is no specific proposal from the Government of Rajasthan for additional funds to these five ITDPs under SCA to TSP during the year 2005-06.

DR. GYAN PRAKASH PILANIA: Sir,I am grateful to the Hon.Minister for a detailed reply but it does not give reply to my specific query. Your honour is aware, Sir, the crux of the problem is regarding the tribal welfare, which is the same as you had pointed out the other day, गरीब का दाना गरीब के पेट में जाना चाहिए । In the same way, tribal को दी जाने वाली aid भी उसके पास असल में पहुँचनी चाहिए । मेरा सवाल स्पेसिफिक था, सर। What have been the achievements by pumping in more than Rs. 100 crores in four tribal districts of Rajasthan during the last three years? Quantify the achievements on the basis of a survey, on the basis of parameters whether per capita income of the tribals has gone up, whether education standard of tribals has gone up, whether the girl child education has improved in some way, whether health scenario, housing scenario, drinking water scenario, mother-child care, family... There are so many indices of communities rising up for development.Has that happened? My specific question is : Will the hon. Minister assure the House that the tribal who is deprived of जंगल, जल और जमीन would get his due, the PDS ration meant for him is not sold in the black market but would get it, his subsidies are not touched by unscrupulous bureaucrats and local petty politicians in collision but would go to him?

SHRI P.R. KYNDIAH: Mr. Chairman, Sir we agree; we share the views of the hon. Member to improve the fate of the tribal people. It is also true

that so far as this Ministry is concerned, we are channeling resources through two channels. We have SCA, a special scheme, and it is given to Rajasthan where it is operating through five ITDPs, as mentioned in my reply.We are also channelising resources under article 275(1). By and large, these two major channelising resources are meant to improve the fate of the tribal people and improve their job orientation, family welfare and community development. We have given to Rajasthan, in particular, quite a number of schemes which are being implemented by the State Government and whatever report we have from the State Government, they are encouraging. I think, Rajasthan had problems at one point of time and they have been able to send the utilisation certificate and we are able to release all the funds. So, by and large, in so far as Rajasthan is concerned, we are satisfied with the resources that are being used.

DR.GYAN PRAKASH PILANIA: Sir, the utilisation has been hundred per cent. My specific queary has not been replied. But has this utilisation reached the poor tribal? If it has reached him, what have been the achievements? Is it possible to quanitify them on certain parameters which should be possible, if some survey has been conducted it should be possible?

SHRI P.R. KYNDIAH: Sir, this is a matter which we have to discuss in detail, But, at the same time, I must inform the hon. Member that we have a very strict monitoring system by which we monitor the funds that are being allocated. But the core responsibility of this entire discussion rests with the State Government and we are also having a system by which we get the information or feedback. By and large, so far as my Ministry is concerned, I have no complaint against Rajasthan. I think, they are doing well. And that is my point.

So far as the specific point of having a kind of survey to know about the enhancement of the community development is concerned, we are doing that.
